

### Madarsa Arabia Atharul-uloom

MAA, under the Athar Educational Welfare Trust, is dedicated to cultivating a new generation of Ulemas, professionals, and responsible citizens through a balanced integration of Islamic and formal education. By fostering critical thinking, ethical values, and practical skills, MAA equips students for leadership in both religious and professional domains. This holistic approach ensures academic excellence, moral integrity, and societal contribution, empowering them to represent Islam effectively while serving humanity with wisdom, compassion, and a strong commitment to lifelong learning.

*Creating synergy to support  
the education for the needy,  
poor, and underprivileged.*

## Integrated Education

Our institutions provide holistic education, shaping individuals with knowledge, character, and a deep connection to faith, preparing them for a brighter future and the hereafter.

**Madarsa Arabia Atharul Uloom:** A comprehensive Islamic education that instills love for Allah and Rasool ﷺ, strengthening faith, character, Quranic recitation, and deep understanding of the Quran and Sunnah. Courses Offered: Qaiyda wa Nazira, Hifz, Deeniyat, Muballigh and Alima

**Athar Excellence School** (English Medium – Up to 10th Class): Building a strong academic foundation with modern teaching methods, smart classrooms, and enriching co-curricular activities.

**Athar Kindergarten** (Nursery to UKG): Shaping young minds with a strong educational foundation, moral values, and a nurturing environment for holistic growth.

**Athar Play School** (For 2.5 years to 3.5 years): A joyful beginning to learning, fostering curiosity, creativity, and confidence through interactive play.

## Student Profile

Our 300 students enrolled to study at Madarsa are orphans, the poor, and the middle-class family's children with diverse backgrounds from the surrounding villages and towns.

Our committed efforts to provide education in an inclusive environment are to benefit students and encourage them to strive towards a brighter future.

---

***“Nearly 90% of our students are from poor families and are eligible for Zakath and Sadqa, while the remaining students are also in great need of support.”***

---

Our food and shelter program at our Madarsa for orphans and poor students helps to meet their necessities for a comfortable living.

## Teacher Profile

Our teachers at Atharul-uloom are highly qualified and certified, with credentials such as Mufti's, Aalim's, Bachelor's, and Master's degrees in their respective fields. They also possess significant teaching experience and demonstrate empathy for each student.

A team of 34 teaching and non-teaching staff, qualified class teachers lead the way under the expert supervision of Mufti Mujahidul Islam, Guntur.

**Sponsorship of Students (SOS)** is a noble initiative that provides beneficial education to students who need financial support for education, food, and necessities. By enrolling in this program, any SOS donor can support by contributing monthly or annually until the student(s) completes their 10th standard education, along with Hifz/Aalima course

### Helping Hands

Your donation can provide students with their education, empowering them to become accomplished professionals who can serve Islam and lead the Muslim community.

Join us in creating an environment of lifelong learning and social responsibility with positive change. Together, let's build a brighter future for our students and communities.
